Design	Marco Merendi & Diego Vencato 2025
Material	Cemento di Gypsum ad alte prestazioni colorato in massa / High-performance integrally colored concrete by Gypsum
Features	Superficie trattata con un ciclo idro-oleorepellente che mantiene un aspetto naturale e morbido al tatto. Il processo produttivo, interamente artigianale, genera piccole variazioni di dimensione e colore che sono da considerarsi caratteristica integrante e peculiare del prodotto / Surface treated with an oil- and water-repellent coating that preserves a natural appearance and a soft touch. The production process, entirely artisanal, results in slight variations in size and colour, which should be considered an inherent and distinctive characteristic of the product
Thickness	18 mm *
*	misure nominali / nominal sizes
Customisation	Possibilità di realizzare colori su richiesta / Other colours are available on request

15 × 15 cm *
5" 29/32 × 5" 29/32 *
